

The background features a blue gradient with a glowing string of lights. Three white stars with numbers 14, 9, and 3 are scattered across the scene. A large, stylized hand cursor icon is positioned over the number 3. The overall theme is festive and interactive.

Keep it Lenze this December!

Win 100s of prizes with the Lenze 2018 Interactive Advent Calendar

Lenze

As easy as that.

Not only is Lenze with you throughout your machine automation process but we are with you during the entire festive period too.

Our interactive Christmas advent calendar is back.

Visit www.Lenze.com and sign up to our e-newsletter to be in with a chance of winning fantastic prizes every day.

By playing, you can also test your robotics and automation knowledge. All you have to do is answer three questions during December to be in with a chance of winning the main prize, the latest fitness watch.

The Lenze advent calendar opens its first door on Saturday 1st December. Sign up today for your chance to win at www.adventcalendar.Lenze.com
